This proposed constitutional amendment would freeze the number of state senators at 63, amend the process for the counting of the state's population, delete certain provisions that violate the United States Constitution, repeal and amend certain requirements for the appointment of the co-executive directors of the redistricting commission and amend the manner of drawing district lines for congressional and state legislative offices. Shall the proposed amendment be approved?

The proposed amendment would delete the current requirement in Article II, § 5 that a citizen be registered to vote at least ten days before an election and would allow the Legislature to enact laws permitting a citizen to register to vote less than ten days before the election. Shall the proposed amendment be approved?

The proposed amendment would delete the current requirement in Article II, § 5 that a citizen be registered to vote at least ten days before an election and would allow the Legislature to enact laws permitting a citizen to register to vote less than ten days before the election. Shall the proposed amendment be approved?

The proposed amendment would increase the New York City Civil Court's jurisdiction by allowing it to hear and decide claims for up to \$50,000 instead of the current jurisdictional limit of \$25,000.  
 Shall the proposed amendment be approved?
