A: The Clerk of the School District and the Commissioner of Education.

Q: Is there a specific format for filing?

A: No, the format is left to the discretion of the candidate.

Q: What filing is required if expenditures are made by a person or persons on behalf of a candidate without their approval?

A: The person or persons making such expenditures without the candidate's approval must file a sworn statement with the clerk and Commissioner stating that the candidate did not approve such expenditure. Such expenditures are limited to \$25 and shall not be included in determining the total expenditures of \$500 mentioned above.

In the city school district of the city of Buffalo the members of such board of education shall be chosen pursuant to the provisions of subdivision ten of this section.

(b) The members of the board of education shall be elected at large throughout the city by the qualified voters at a general election.

(g) The election of members of the board of education of the school district of Rochester shall take place at a general election to be held in such city when an incumbent's term expires, and the first election hereinunder shall take place in November of nineteen hundred eighty-one. Such election shall be conducted by the board of elections of the county of Monroe in the same manner as general elections are conducted by it. The results of such elections, after canvassing, shall be certified and reported by the board of elections to the board of education of such city. The clerk or other appropriate officer of the board of education shall within twenty-four hours after the receipt of such certification by the board of elections serve a written notice either personally or by mail upon each person declared to be elected as a member of the board of education informing him of his election and the length of his term.

(h) Notwithstanding the provisions of any other law, the present members of said board of education shall serve the full terms for which they were elected. Vacancies which may occur in the board shall be filled as provided herein, except, that the vacancies created by the expansion of the board of education from five to seven members, as provided herein, shall be filled at the next general election.

b. The common council of the city of Buffalo shall within three months of the operative date of this paragraph of this section of this act define and publish by local law boundaries of each of six city school subdistricts which said subdistricts shall be contiguous and each of which shall contain as nearly as possible the same number of inhabitants.
